County Convention

Extracts from Public Statutes of New Hampshire

The County Convention shall consist of the representatives of the towns of the county. They shall meet on the second Wednesday of each biennial session of the General Court or other day in the same week, shall choose a chairman and clerk, and may adjourn as they see cause.

The County Commissioners and Treasurer shall furnish the Auditors all the aid and information required by them in the performance of their duties.

The County Convention shall, during each biennial session of the Legislature, grant county taxes for its county for two years; but the tax for each year shall be voted separately and collected in the year for which it was voted.

The Sheriff, the Jailers, the Physicians, the Clerk of the Court, the Solicitor, the Treasurer, the County Commissioners, and the Superintendent of the County Farm, of each county, shall make up their report separately, to December thirty-first annually, and the same shall be printed together in pamphlet form, in the month of January following.

The reports of the several officers named shall contain a summarized account of all their transactions, which concern the county, for the current year ending aforesaid, and the report of the Superintendent of the County Farm shall contain, in addition, a list of the paupers actually supported at the Farm, a statement of the number of weeks each was so supported, and the average cost per week for each pauper, with the explanation of the basis upon which such calculation was made.

The County Commissioners of each county shall publish attested copies of the proceedings of the County Conventions, with the printed reports of the county officers for the year in which such proceedings occurred.

On Friday, January 29, 1909, the County Delegation visited the Rockingham County Farm at Brentwood, and returned highly satisfied with its condition, system and welfare. The need of a new stable was emphasized.

The Rockingham County Delegation met in Union Hall, White's Opera House, at 7.30 P. M., with nearly every member present.

On motion of Stevenson, of Exeter, the following resolution was adopted: —

Resolved: That forty thousand dollars of the funds now in the hands of the County Treasurer be and the same hereby is set aside as a sinking fund, and the County Commissioners

are hereby directed to use the same for the immediate purchase and redemption of the bonds of the county, whenever said bonds can be purchased and redeemed on a three per cent. basis or better, and that in the meantime said sum of forty thousand dollars be deposited in some bank or trust company in this state, as may be approved by the County Commissioners, that will pay the highest rate of interest on daily balance, other things being equal.

In accordance with the decision the following were appointed: —

PORTSMOUTH, N. H., February 6, 1909.

At a meeting of the Rockingham County Delegation held in Concord on the 3d inst., it was voted that the Chairman appoint a committee of five to investigate the question of the court house at Portsmouth and report their findings to the delegation.

In accordance with that vote I will appoint the following committee and suggest that they notify Mayor Adams, of this city, when they will come here for the purpose of considering the question submitted to them.

The committee will be as follows: — Albert O. Alexander, of Windham; George D. Rand, of Chester; Isaac W. Carr, of Greenland; Edward B. Weston, of Derry; Peter Ladd, of Epping.

WALLACE HACKETT,

Chairman of Rockingham County Delegation.

CONCORD, N. H., February 24, 1909.

The Rockingham County Delegation met in Union Hall at 2 P. M., about thirty-four Representatives being present.

The special committee, recently appointed to consider the proposed transfer of the Court House to the city of Portsmouth, reported in substance as follows: —

The committee had visited Portsmouth and had inspected the Court House on February 19. Mr. Marvin, of Newcastle, had replaced Mr. Carr, of Greenland. It was found that repairs were needed, aggregating about \$1,000. All the rooms of the building were in use during the October term of Court, while the County Commissioners and the Probate Court used the first floor. The Court House, as a whole, was needed no small part of the year for Superior Court purposes. Mayor Adams, of the city, had made the proposition that the County of Rockingham deed the building and land to Portsmouth, reserving to itself, however, the second floor for Superior Court purposes.

Remarks were made by Messrs. Hackett, Alexander, Weston, Ladd, Rand, of Chester, Torrey, Payne, of Derry, and Stevenson.

The proposition of Mayor Adams was not accepted, and no counter-offer was agreed upon.

On motion of Mr. Payne, of Derry, it was unanimously voted that further consideration of the question be indefinitely postponed.

On motion of Mr. Weeks, of Exeter, the following resolution was adopted: —

Resolved: That the incoming board of County Commissioners be and are hereby authorized to expend a sum not exceeding two hundred and fifty (\$250) to hire architects and secure plans for an Administration Building, Hospital, and a separate building for the maintenance of male and female inmates at the Rockingham County Farm at Brentwood.

On motion of Mr. Stevenson, of Exeter, the meeting adjourned.

HARRY K. TORREY, *Clerk*.

CONCORD, N. H., April 7, 1909.

The Rockingham County Delegation met in Room 5, State House, this noon at the commencement of the recess, to present Chairman Hackett, in token of their esteem and respect, with a large 4' by 3' framed picture of the County Representatives and Senators, consisting of individual photographs of the members. Ex-Chairman Anderson made a short, but interesting presentation speech, to which Mr. Hackett feelingly and wittingly replied.

As the session of the Legislature was drawing to a close, remarks on the welfare of the state were made by Mr. Jones, of Portsmouth, Mr. Hackett, and by Mr. Holmes, of Nottingham.

On motion of Mr. Philbrick, of Portsmouth, the following vote was passed: —

Resolved: That if Senate Bill 41, entitled "An Act to Define the Duties of County Treasurers with Respect to Depositing County Funds," passes and becomes a law at this session of the Legislature, that the salary of the Treasurer of Rockingham County shall, in that event, be increased from \$300 to \$500 per annum, beginning at the time that said law shall go into effect.

On motion of Mr. Sawyer, of Rye, the following resolution was adopted: —

Resolved: That Mr. Sawyer, of Rye, be authorized to extend as the sense of this delegation, its sympathy and best wishes to one W. J. Breed, of North Hampton, now employed

by the government in Washington, the same to be sent to United States Senator Jacob H. Gallinger, of this state.

On motion of Mr. Corson, of Hampstead, the meeting adjourned.

CONCORD, N. H., April 9, 1909.

NOTE: Like many of its worthy predecessors, the County Treasurer bill expired in the Senate.

STATE OF NEW HAMPSHIRE.—ROCKINGHAM, SS.

I hereby certify that the foregoing is a true copy of the records of the Rockingham County Legislative Delegation, held at Concord and Brentwood, N. H., during the session of the Legislature of 1909, transmitted to me by Harry K. Torrey, Clerk of said delegation.

W. A. HODGDON,

Clerk Rockingham County Commissioners.

Commissioners' Report

In accordance with the requirements of the Public Statutes of the state of New Hampshire, the Commissioners herewith submit the report of their business transactions for Rockingham County for the year ending December 31, 1909, together with the reports of the other county officials.

The appropriations for County expenses for 1909 were \$7,750.00 less than 1908; notwithstanding, the Commissioners have been able to keep within the appropriation and reduced the debt to the amount of \$1,818.44 with the increased expenses of the courts, \$5,422.40, and jails, \$1,998.09.

The Commissioners have purchased county bonds to the amount of thirty-nine thousand dollars; twenty-three thousand in 1909, and sixteen thousand in January, 1910, which will make a saving in interest of \$1,500.00

The State Board of Charities has recommended the construction of new buildings for the use of the inmates at the farm. While we are aware that new and more modern buildings would be superior to those now in use, the present buildings are as good for all practical purposes as they were when built. It is the opinion of the Commissioners that the buildings are sufficient for the present needs of the County and will be for some time to come.

The matter of caring for the County poor is by far the most difficult matter with which the Commissioners have to deal. We have endeavored to use the utmost care in giving assistance, and to give only to those whom the County was bound to support. There are many unfortunate and helpless people who well deserve the aid received. There are also many men, who are intemperate and vicious, and while able to work and contribute to the support of their families, waste their money for drink, and spend part of their time in jail; they do not support their families and these families

are unable to support themselves; thus it falls upon the County, as we cannot leave these wives and young children to starve or suffer.

There are at present in the different homes in the state seventy-four children supported at an expense of about \$1.50 per week.

Wednesday is the day open to visitors at the farm, and we would invite all taxpayers and especially city and town officials to inspect the premises.

In conclusion we want to thank the town officers for their assistance and request them to exercise the greatest care in assisting the poor in their towns, and investigate each new application thoroughly before rendering aid.

GEORGE A. CARLISLE,
WILLIAM A. HODGDON,
JOHN P. HARDY,

Commissioners.

Superintendent Tasker's Report

County Almshouse and House of Correction at Brentwood,
December 31, 1909

To the Honorable Commissioners of Rockingham County:

Gentlemen: I herewith submit the report of the Farm and House of Correction, showing the farm receipts and expenditures, the list of inmates, boarders and prisoners from July 1 to December 31, 1909. Also such statistical information as is thought will be interesting to the citizens of the county.

Our aim is to keep the institution a suitable abiding place for the permanent and transient members.

With that end in view it is not entirely a place of repose at all times.

We endeavor to connect all the able bodied with useful occupation, and we wish to thank the inmates of the house as well as our special assistants for evident willingness to do all in their power for the general welfare of the place; also for kindness and consideration shown to Mrs. Tasker and myself.

During the few months we have received all possible encouragement from the Commissioners, the Doctor, the Chaplain, and our daily associates, for which we extend thanks.

Reading matter supplied by thoughtful friends is much appreciated, and can always be used to good advantage.

Physician's Report

EPPING, N. H., January 3, 1910.

To the Honorable Board of Commissioners of Rockingham County:

In accordance with an established custom I respectfully submit the following report of the medical department, vital statistics, and sanitary condition of the County Institution at Brentwood for the year ending December 31, 1909.

The health of the inmates has generally been as good as their advanced age and infirmities would allow.

A large proportion of them have been on the sick list, and many constantly, but no epidemic save grip has prevailed.

The equipment for curing disease and relieving distress has been notably increased by the addition of a therapeutic lamp and a vibrator.

These, we believe, will prove eminently satisfactory and be appreciated alike by patients and attendants.

We would renew with added emphasis, if possible, our recommendation of last year that the kitchen be removed from under the office and living apartments to a separate building in the rear on the same level as at present, and chiefly below the level of the ground.

This would certainly be conducive to better sanitation and greater comfort for all concerned.

We have convinced ourselves at least that a cash expenditure of about \$300, with the help available on the place, would accomplish this much needed change.

The personnel of the institution has seen several changes during the year just passed.

In July, at the zenith of success and usefulness, Mr. and Mrs. Norman H. Beane resigned the positions of Superin-

tendent and Matron they had so long and ably filled.

With them went the good will and wishes of a host of friends both on and off the farm.

These places were filled by the appointment of Mr. and Mrs. William Tasker, of Pittsfield, N. H., who are taking up the work with an earnest spirit worthy of success.

We are glad to acknowledge obligation to the entire staff of efficient employees, both old and new, for cheerful co-operation and personal courtesies through the year.

Respectfully submitted, .

A. W. MITCHELL, M.D.

Chaplain's Report

BRENTWOOD, N. H., December 28, 1909

To the Board of Commissioners for Rockingham County:

Sirs:—I have faithfully attended to the duties devolving upon me as Chaplain of the County Farm during the year 1909: the regular Sunday afternoon meetings, the visitation of sick and of prisoners, the funerals of inmates, whose remains were interred on the premises. I have been much gratified by the large attendance of inmates and visitors at the Sunday meetings, as such attendance is not compulsory.

Respectfully submitted,

J. DODD MATTHEWS, *Chaplain.*

24CEYLON SPINNEY, *Sheriff and Jailer.*

Jail Physician's Report

PORTSMOUTH, N. H., January 1, 1910.

Sheriff Ceylon Spinney:

Dear Sir:—Owing to the fact that there has been an unusually large number of prisoners at the jail this year it has been a cause of more illness than heretofore.

However, if we have a large number of prisoners we must expect more illness.

There have been four cases of appendicitis, two of which were of such a serious nature as to cause their removal to the hospital for surgical intervention and treatment. There have been several minor operations done at the jail. On the whole the prisoners have been very tender and unhealthy.

The prisoners receive exceedingly good care while they are ill at the jail, and the persons in charge do everything possible to make them comfortable and easy. I am greatly pleased at the care taken in the sanitary condition of the jail. Everything is so white and clean that it was very noticeable.

Still, I am rather surprised that there was so much illness in an institution where the care in cleanliness and personal hygiene is so noticeable. However, I feel certain that the individuals were ill before they became prisoners at the jail, and therefore, it cannot be laid to their confinement at this institution.

Contagious diseases have been prominent by their absence.

There have been several cases of insanity at the jail; these patients were sent to Concord for observation and treatment.

There have been no deaths during the year, and the individuals at the present are in good health. My relations with the authorities have been very pleasant and agreeable.

Very sincerely,

HERBERT L. TAYLOR, M.D., *Jail Physician.*
